Chemical Destruction Community Advisory Board

The [Chemical Destruction Community Advisory Board \(CDCAB\)](#) is an independent sub-committee of the [Kentucky Chemical Demilitarization Citizens' Advisory Commission \(CAC\)](#) and is made up of a diverse group of community leaders who represent the local community on issues regarding Kentucky's chemical weapons disposal program. With input from many interested parties, the board's primary objective is to share information with the community and provide input to government decision-makers.

Voting members include representatives from the following organizations:

- Berea College, Eastern Kentucky University, Madison County Boards of Education and Berea Community Schools
- Berea and Richmond Chambers of Commerce
- CAC
- Chemical Stockpile Emergency Preparedness Program/Madison County Emergency Management Agency
- Chemical Weapons Working Group
- Civic groups
- Elected state officials
- Environmental organizations
- Kentucky Division of Emergency Management
- Local hospitals
- Madison County, Estill County, City of Berea and City of Richmond governments
- Madison County Ministerial Association
- National Association for the Advancement of Colored People

Included as non-voting members are representatives from the following organizations:

- Blue Grass Army Depot and Blue Grass Chemical Activity
- Bechtel Parsons Blue Grass
- Kentucky Department for Environmental Protection
- Program Executive Office, Assembled Chemical Weapons Alternatives (PEO ACWA)
- Representatives of federal elected officials

The CDCAB, in conjunction with the CAC, meets quarterly and is co-chaired by the Madison County Judge-Executive and Craig Williams, director of the Chemical Weapons Working Group.

[PEO ACWA](#), the organization responsible for the destruction of the Kentucky chemical weapons stockpile, values the input and participation from the CDCAB. As the chemical weapons destruction program progresses, the CDCAB will continue to conduct open discussions and dialogue in quarterly meetings regarding issues including economic development and sustainability to permitting and environmental considerations. The board plays a vital role in the decision-making process by providing input from the community.
