

Outreach Office announces move Staff joins rest of Bechtel Parsons Blue Grass Team

A Partnership for Safe Chemical Weapons Destruction

January 29, 2004

For Immediate Release

RICHMOND, Ky. -- The Blue Grass Chemical Stockpile Outreach Office has moved to 301 Highland Park Drive joining the rest of the Bechtel Parsons Blue Grass Team.

"This move will provide the public with a 'one-stop shop' location for informational materials on chemical weapons destruction issues, employment information and subcontracting opportunities," said Chris Midgett, project manager for Bechtel Parsons Blue Grass.

Relocating the office with the rest of the project team will consolidate resources while increasing the level of services to the local community. The public will have increased access to technical experts from the Blue Grass Chemical Agent-Destruction Pilot Plant to better address their questions and concerns.

Bechtel Parsons Blue Grass was awarded a contract last summer to design, build, test, operate and ultimately close the facility that will be constructed at the Blue Grass Army Depot.

The outreach staff is comprised of Mickey Morales, public involvement manager; Sandra Plant, outreach office manager; Diane Osbourne, outreach specialist and Jill Abner, administrative assistant.

The phone number, fax number and e-mail address will remain the same. The outreach team can be reached at 859-626-8944, Fax: 859-626-8949, E-mail: outreach@bechtel.com.

END

For further information, please call Bechtel Parsons Blue Grass at 625-1291, the Blue Grass Army Depot at 625-6221 or the Blue Grass Chemical Activity at 625-6897.
