A PARTNERSHIP FOR SAFE CHEMICAL WEAPONS DESTRUCTION

## DRAFT PERMIT WITH CLASS 3 MODIFICATION

### Activities Conducted by the Colorado Department of Public Health and Environment:

- Issue public notice of the permit modification in local newspaper and send to the project mailing list.
- Prepare a fact sheet.
- Hold several public availability sessions.

After the conclusion of a 45-day comment period, the state health department will review, consider and respond to all written and pertinent comments received during the comment period.

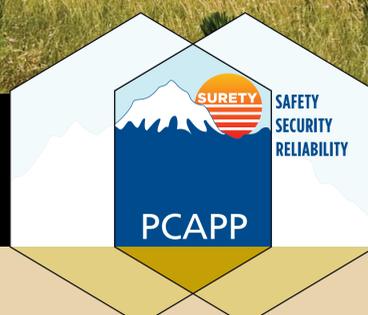

State health department may issue final permit with changes that arise from comments.

State will issue a notice of the final decision to grant or deny the draft permit.

Opportunities will be provided for public comment on future permit modifications that address substantial changes.

### Written comments regarding this permit modification request must be submitted to:
