

**The Colorado Department of Public Health and Environment  
Hazardous Materials and Waste Management Division  
Approval - Class 2 Permit Modification #50 to the  
Research Development and Demonstration Permit for the  
Pueblo Chemical Agent-Destruction Pilot Project (PCAPP)**

- The Class 2 Permit modification adds the Hazard Preparedness and Prevention Plan to the Permit as Attachment J. General permit conditions regarding preparedness and prevention requirements are added under Permit Condition II.H. Drawings associated with preparedness and prevention requirements are added to Attachment E of the Permit. Compliance schedule requirements are added under Permit Condition I.J for the Permittees to submit additional details related to preparedness and prevention requirements per 6 CCR 1007-3, Part 264, Subpart C.
- This notification of approval for a Class 2 modification is provided consistent with the Colorado Hazardous Waste Regulations, Section 100.63f(1).

For more information about this permit action, or the Pueblo Chemical Agent-Destruction Pilot Project, please visit our web site: <https://www.colorado.gov/cdphe/pcapp>
