

**Colorado Department of Public Health and Environment
Hazardous Materials and Waste Management Division
Class 2 Permit Modification to the
Research Development and Demonstration Permit
Pueblo Chemical Agent-Destruction Pilot Plant (PCAPP)**

- The Class 2 Permit Modification #45 incorporates the Corrosion Monitoring Plan for hazardous waste tank systems into the PCAPP Hazardous Waste Permit as Attachment M.
- This notification of approval for a Class 2 modification is provided consistent with the Colorado Hazardous Waste Regulations, 6 CCR 1007-3, Section 100.63f(1).
- No hazardous waste management activities will be allowed at PCAPP under this permit modification.

For more information about this permit action, or the Pueblo Chemical Agent-Destruction Pilot Plant, please visit our web site: <https://www.colorado.gov/pacific/cdphe/pcapp>

If you have any questions please don't hesitate to call or write.
